TRIBUTE TO McARTHUR "MAC" WEDDLE

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Monday, June 24, 2019

Ms. MOORE. Madam Speaker, I rise to pay tribute to the career and ongoing legacy of McArthur "Mac" Weddle, of Northcott Neighborhood House, where he has served for over 42 years and 19 as the Executive Director. McArthur graduated from Milwaukee's North Division High School which is also my alma mater. Further, he earned a degree in education from the University of Wisconsin-Milwaukee.

As a young boy growing up in Milwaukee, Mac was pulled under water by a strong undercurrent in the Milwaukee River. He was rescued from this life-threatening disaster by a kid in the neighborhood with the reputation as a troublemaker. Mac believe he was saved because God had a special purpose for him. Mac pursued a career in youth recreation, to assist kids who were sometimes misguided but had the potential to do good. This was his passion, mission and special purpose. This would lead him to Northcott Neighborhood House a community organization where he would assist in providing recreational activities for youth, educational and employment training opportunities for adults and ex-offenders, and necessities for families and senior citizens. Mac would stay at Northcott and would eventually serve as Executive Director and in other many roles in our community.

Throughout the years, our community could always count on him to invest and make programs such as Juneteenth Day, Black Expo, African World Festival, and other events available to the community to celebrate our collective history. Under his guidance, he helped transform Milwaukee's Juneteenth celebration to one of the largest in the nation, and Northcott Neighborhood House to one of the leading organizations in Milwaukee's African American Community and the Greater Milwaukee Community. He is the recipient of the Black Excellence Award, served as Chairman of the Lee Elementary School Council, Vice President of the Board of Directors of the Martin Luther King Economic Development Corporation, board member of Wisconsin State Board of Psychology Regulations and Licensing, Treasurer of the Board of Harambee Ombudsman Program, and as a 33-degree Prince Hall Free and Accepted Mason.

It is without question that he has become one of the most beloved community leaders, mentors, and advocates in our city. This is due in no small part because of his investment in the children and the many lives he has impacted. Mac's leadership, enthusiasm and generosity is unparalleled, and he is held in high-esteem throughout the community. I have known Mac for over 50 years and I am proud to say that Mac is my friend. We have so many shared memories of Milwaukee and life.

As he transitions into a new direction in his life, I wish him the very best. While his retirement will undoubtedly leave a void in our community, I take comfort in the fact that his role in the development of our youth has created new emerging leaders. Madam Speaker, for these reasons I am pleased to honor McArthur "Mac" Weddle, a man, who has helped to make the 4th Congressional District a better place.

CELEBRATING THE CAREER OF MR. DOUGLAS PRICHARD

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 24, 2019

Mr. TED LIEU of California. Madam Speaker, I rise to celebrate the career of Mr. Douglas Prichard, the City Manager of Rolling Hills Estates in Los Angeles County. Douglas is retiring after 34 years of service to the city.

Douglas was born on December 28, 1957 in Newport Beach, California to John Prichard and Eleanor Farmer Prichard. He earned his Bachelor's in Social Ecology in 1980 and Masters in Business and Public Administration from the University of California, Irvine in 1981.

Douglas' first job in civil service was as an administrative assistant for the City of Bellflower, where he eventually rose to Assistant to the City Administrator. In 1985, Douglas moved to the Palos Verdes Peninsula to become the Assistant City Manager for Rolling Hills Estates. He was promoted to City Manager in 1990, where he oversaw the day to day municipal functions of the city and its \$9 million budget. Douglas maintained a balanced budget, even through the Great Recession, with little to no deterioration in services for residents.

Under Douglas' remarkable administration, Rolling Hills Estates saw an expansion of the city's green space, with careful partnerships crucial to the creation of Highridge Park and the Chandler Preserve. Douglas also aided in the development of the old Chandler Quarry, construction of the western portion of Palos Verdes Drive North and the Peter Weber Equestrian Center Stables, and establishment of the Peninsula Holiday Parade of Lights, an annual community-wide celebration of the holiday season.

I wish Douglas a happy retirement full of surfing and music, as well as quality time with

his wife, Kathy, and his children, John and Michael. I would like to express my sincere gratitude for his dedication to improving city services and programs for the residents of Rolling Hills Estates.

TRIBUTE TO FATHER DAVID GARCIA

HON. JOAQUIN CASTRO

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 24, 2019

Mr. CASTRO of Texas. Madam Speaker, today I rise in honor of Father David Garcia who is retiring from active ministry as Pastor of Mission Concepción in my hometown of San Antonio. Father Garcia is well-known in the community and has been critical in preserving and establishing worldwide recognition of San Antonio's historic missions. Although his retirement from parochial service begins July 1, 2019, I have no doubt that Father Garcia's impact will last in the years to come.

Father David Garcia, better known as "Father David," was born in San Antonio, Texas on August 4, 1949. He completed seminary studies at St. John's and Assumption Seminaries, the Oblate School of Theology, and Moreau Seminary. He then went on to Notre Dame University, where he earned masters' degrees in Theology and Institutional Administration. On March 21, 1975, Father David was ordained by Archbishop Francis Furey.

During the 1970s, Father David assisted in the founding of Communities Organized for Public Service (COPS), a non-partisan grassroots coalition whose mission is to improve living standards throughout the community, particularly among neglected and low-income areas. Efforts by Father David and COPS secured significant public funding for local infrastructure and housing improvements.

From 1980 to 1988, Father David served as Chief of Staff to Archbishop Patrick Flores where he led the construction and reorganization of the Catholic Chancery. Through 1981 to 1988, he served on the formation faculty of Assumption Seminary. During the visit of Pope Saint John Paul II to San Antonio in 1987, Father David served as mass site chair where he secured the mass site location attended by 350,000 people. From 1988 to 1994, he served as the vocation director for the Archdiocese of San Antonio.
